

## EVERYONE NEEDS ACCESS TO MEDICAL SPECIALISTS

U.S. medical specialists are among the best physicians in the world. They help thousands of patients every day in ways no one else can.

As we improve our health care system, make sure all Americans have equal access to quality specialty care.

**It's the key to good health.**

American Association of Neurological Surgeons • American Association of Orthopaedic Surgeons • American Gastroenterological Association • American Society of Cataract and Refractive Surgery • American Urological Association • Coalition of State Rheumatology Organizations • Congress of Neurological Surgeons • Heart Rhythm Society • National Association of Spine Specialists • Society for Cardiovascular Angiography and Interventions
