March 2, 2010

Dear CNS Colleagues:

We invite you to join us in Jaipur, India for the Joint Meeting of the Neurosurgical Society of India (NSI) and the Congress of Neurological Surgeons, December 16-19, 2010.

Prof. Bagaria and Prof. Panagariya of the NSI have worked in concert with the CNS International Division and Dr. Saleem Abdulrauf to produce a spectacular scientific program. This program will include a comprehensive live 3-D demonstration of surgical techniques by recognized masters in the field.

The city of Jaipur is one of India's proudest jewels, and magnificent sights abound in the area including the Taj Mahal. We hope you can join us for this exciting international educational opportunity.

Sincerely,

Gerald E. Rodts, Jr., MD
CNS President

Christopher C. Getch, MD
CNS President-Elect
