Reductions & Cancellations

All booth reductions and cancellations must be made in writing. Requests received in writing by Monday, November 22 will receive a full refund, less $500 administrative fee. The Association will retain total cost of space being reduced or cancelled after Monday, November 22. Refunds of cancellations or reductions will not be reimbursed until after the meeting date.

Terms of Participation

The purpose of the exhibits is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies, and services that are presented for use by spine and peripheral nerve surgeons. Monies provided for Exhibit Hall booth purchases are not considered commercial support, nor shall support of this year's exhibit program be inferred as a commitment for any future programs. All exhibit fees will be used solely for expenses directly related to the 2022 AANS/CNS Section on Disorders of the Spine and Peripheral Nerves (Association) Annual Meeting. The Association and the exhibitor acknowledge and agree that the funding shall not obligate the Association nor its affiliates to purchase, use, recommend, or arrange for the use of any products of the exhibitor or its affiliates. The Association does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the Annual Meeting. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor. The Association acknowledges that some drugs or medical devices demonstrated at the Annual Meeting have not been cleared by the FDA or have been cleared by the FDA for specific purposes only. The FDA has stated it is the responsibility of the physician to determine the FDA clearance status of each drug or medical devices he or she wishes to use in clinical practice.
