PEDIATRIC NEUROLOGICAL SURGERY

E PLURIBUS UNUM

ADVOCACY, HEALTH CARE POLICY AND THE FUTURE OF PEDIATRIC NEUROSURGERY

EXHIBITOR PROSPECTUS

DECEMBER 1-4, 2022

Marriott Marquis
Washington, D.C.

Congress of
Neurological
Surgeons

Dear Industry Partner,

On behalf of the AANS/CNS Section on Pediatric Neurological Surgery, I would like to extend an invitation for you to participate in 2022 Pediatric Section Meeting, taking place December 1 – 4, 2022 at the Marriott Marquis Hotel in Washington DC. As one of our objectives for this meeting, we are looking to improve our connection with you. The AANS/CNS Section on Pediatric Neurological Surgery serves to advance pediatric neurosurgery and related disciplines. The 2022 AANS/CNS Section on Pediatric Neurological Surgery annual meeting is expected to attract more than 350 surgeons and allied medical professionals seeking information on the latest advancements in Pediatric Neurological surgery.

As a 2022 Pediatric Section annual meeting exhibitor, you will receive valuable opportunities to network with key decision makers from institutions and practices across the US and around the world who are looking for information about your products and services. As numerous residents attend this meeting, you also have the chance to build associations with those who will decide trends and technological advances in the future.

While you renew relationships with existing contacts and meet new ones, we will present you with many occasions to interact and connect with attendees, from multiple daily beverages breaks to the Opening Reception. To further enhance your ability to get in front of attendees, the Pediatric Section on Neurological Surgery offers a wide array of corporate support opportunities that will increase brand awareness and position your company as a supporter of neurosurgical education as detailed in this Exhibitor Prospectus.

Exhibit at the 2022 Pediatric Section on Neurological Surgery annual meeting and take advantage of this well-respected and highly attended conference to meet and educate hundreds of Pediatric Neurosurgeons and allied health professionals about your most significant products and services.

Reserve your booth space today—and be sure to apply early, as exhibit space does sell out. Do not forget to take advantage of our corporate support opportunities, which allow you to extend your presence outside the Exhibit Hall. Please join us and help continue the success of this meeting.

I look forward to seeing you in Washington DC!

Sincerely,

A handwritten signature in blue ink, appearing to read "Jesse Skoch", with a stylized flourish at the end.

Sponsorship Opportunities

Choose from these great Industry Support opportunities and create your own customized Industry Support package to meet your company's sales goals.

Opening Reception Sponsor

\$15,000

This Opening Reception kicks off the meeting and is a very well attending opportunity to network with attendees. Benefits of this sponsorship include recognition in meeting program book, meeting mobile app, onsite signage and an eblast communication about meeting events. Sponsorship also includes and additional (4) tickets to the Opening Reception.

Wine and Cheese Reception

\$10,000

Show your support of the Pediatric Section by sponsoring the Wine and Cheese Reception on Friday night. Recognition in meeting program, meeting mobile app, pre-meeting eblast, and onsite signage. Food and Beverage provided by the Section. Exclusive opportunity.

Satellite Symposium (non-CME)

\$5,000 - \$20,000 *(depends on attendee numbers)*

We are gathering more than 300 leading Pediatric Neurosurgeons in Washington DC for the year's most anticipated Pediatric meeting. Take advantage of this chance to educate your customers and prospects about your latest technology or to host a focus group discussion on a date and time approved by the CNS. If you plan your Satellite Symposium at the HQ hotel, it will include a private lecture room with A/V equipment (podium, microphone, projector, and screen) and recognition of your support if desired.

Beverage Breaks

\$5,000 per break

Provide attendees with a pleasant break in their day. You may provide logo cups and napkins at their own expense. Support of this event includes recognition via on-site signage and the meeting's mobile app. Five (5) breaks are available.

Continental Breakfast—Co-support Opportunity with the Section

\$10,000 per day

Make an impression first thing in the morning by supporting this great attendee service. Corporate supporter may provide logo napkins at their own expense. Support of this event includes recognition via on-site signage and meeting's mobile app.

NEW - 'What's New' Sessions

\$5,000 for one (1) 10-minute session

(Concurrent and/or multiple sessions may be purchased)

These special 10-minute sessions take place in the Exhibit Hall's Presentation Theater during the daily beverage breaks and offer attendees a glimpse at the latest research, procedures, products, and services. Company sponsor is responsible for inviting a physician to present during an individual session (topic must be approved by the Section). The Scientific Program Committee will have final approval of companies participating in 'What's New' Sessions. This opportunity includes the use of presentation space, A/V equipment, and recognition of your support via onsite signage and in the meeting's mobile app. The name of presenter and topic must be provided for approval by Friday, October 7.

Eight (8) total spots are available:

Two (2) spots during the Friday morning beverage break

Two (2) spots during the Friday afternoon beverage break

Two (2) spots during the Saturday morning beverage break

Two (2) spots during the Saturday afternoon beverage break

Charging Lounge

\$20,000

Gain prominent advertising space and help attendees stay in touch with the home and office by supporting rapid charging stations in the lounge in the Exhibit Hall. This opportunity includes prominent display of your company logo and product information with fully customizable wraps for attendees to view all while charging their devices. This opportunity covers the cost of the charging lounge furniture or charging tower (based on availability).

Advertising Opportunities

Hotel Key Card & Sleeves

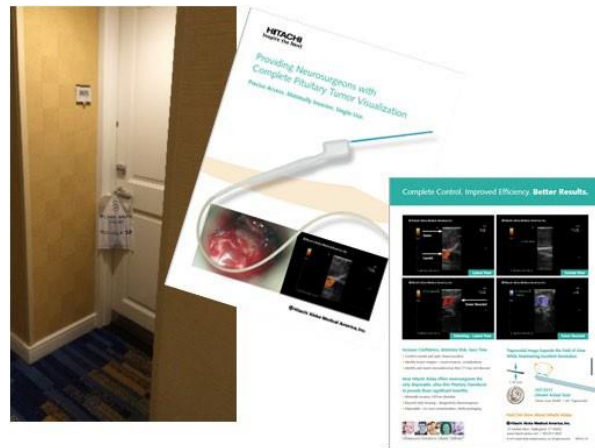

\$10,000

Put your name and logo in the hand of every attendee at the resort. Corporate supporter designs the keycard sleeve artwork with Section approval. You are responsible for the production of the sponsored item as well as the associated production costs.

Door-drop Doctor's Bag

\$3,500

Place your logo and booth number on the bag delivered to all medical attendees at the Headquarter Hotel on Wednesday night.

Door-drop Insert

\$2,000

Delivered to medical attendees staying in the HQ Hotel on Wednesday night, this is the perfect opportunity to preview your product launches, in-booth demonstrations, and other activities attendees will not want to miss. Maximum size of the piece is 8.5"x 11", double-sided.

Badge Lanyards

\$10,000

Place your brand front and center with every attendee. Production is not included.

Registration Bags

\$10,000

Put your company logo and product information in the hand of every Pediatric Meeting attendee. Your company selects and produces the bag of your choice, and can insert up to one promotional/product literature piece per bag given to all attendees as they register on-site. All items subject to AANS/CNS Section on Pediatric Neurological Surgery approval.

Registration Insert

\$3,000

Provided to all attendees as they pick up their badges, this is the perfect opportunity to preview your product launches, in-booth demonstrations, and other activities attendees will not want to miss. Maximum size of piece is 8.5"x11", double-sided.

Pre-Meeting or Post-Meeting E-blast

\$3,500

Send your message to all Pediatric Section members. This is an opportunity to discuss a specific product/technique or invite them to attend a special event you are participating in at the Annual Meeting. This opportunity is limited to a three (3) pre-meeting and three (3) post-meeting e-blasts, one (1) message per company.

Pocket Guide Cover Advertising

\$2,500 per ad

The Scientific Program Book (Pocket Guide) provides attendees a handy reference of all key events and exhibitor information and is distributed on-site to approximately 350 medical attendees.

Pocket Guide Interior Advertising

\$1,500 per ad

The Scientific Program Book (Pocket Guide) provides attendees a handy reference of all key events and exhibitor information and is distributed on-site to more than 350 medical attendees.

Banner Ad on Mobile App

\$2,000

Display your company logo and booth number at the top of the screen on the mobile app. Banner ads have the capability to link to any website you wish. Limited opportunities available.

Mobile App Enhanced Listing

\$500

If you're not ready for banner advertising, an enhanced listing is an easy, cost-effective way to gain additional exposure at the Pediatric Meeting. This will include a display of your logo as well as links to your product information and literature in your exhibitor listing.

Push Message via Mobile App

\$1000 per message

Limited to two (2) messages from Industry supporters per day, the CNS will send your message containing product / booth info to an opt-in list of attendees during the 2022 AANS/CNS Section on Pediatric Neurological Surgery.

Meeting Suite in the Exhibit Hall

\$4,000 per 10'x10' suite

If you are looking for a more private place to conduct your business outside of your exhibit booth, then a meeting suite is just what you need. Room sizes can be created

in most configurations and are conveniently located in the back of the Exhibit Hall, so both you and your customers can take care of business without having to travel far. Cost includes carpeted suite, listing on the exhibit hall map, and signage with company logo outside of the suite. (Furniture and electric needs to be order through Freeman at the expense of the company.)

Attendee Registration List

\$475 (pre-meeting) or \$750 (post-meeting)

Send each attendee a special invitation to visit your booth, utilize the list to plan appropriate staff coverage and attendance, or a post-meeting thank you. An attendee registration list is to be used for one time mailing and is available for purchase exclusively to the AANS/CNS Section on Pediatric Neurological Surgery. Physical mailing addresses only, no emails.

Pre-meeting attendee list rental (\$475)

- List will be available starting on November 1, 2022

Post-meeting attendee list rental (\$750)

- List will be available starting on December 19, 2022

Exhibitor Rules and Regulations

Rules and Regulations

The rules and regulations were created for the best interest of the exhibitors, attendees, and the AANS/CNS Section on Pediatric Neurological Surgery. It is important that each exhibitor abide by these regulations. Failure to comply with any rule set forth may result in the denial of future participation.

Interpretation of Rules

The following rules and regulations are part of the contract between the exhibitor and the AANS/CNS Section on Pediatric Neurological Surgery (the Association). The Association shall have full power in the interpretation and enforcement of rules and regulations governing exhibitors. All matters not covered in these rules and regulations shall be referred to the Association for adjudication and the decision of the Association shall be final. These rules and regulations may be amended at any time by the Association and all the amendments so made shall be binding upon the exhibitor equally with these rules and regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments. Notice may be verbal or in writing, before or during the 2022 AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting and may be given to any authorized agent or representative of the exhibitor.

Purpose of Exhibit

The purpose of the exhibits, an integral part of the 2022 Pediatric Summit educational activity, is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies, and services that are presented for use by Pediatric Neurological surgeons. The Association does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting. The Association reserves the right to determine the eligibility of all exhibit space applicants.

Product Sales/Solicitation of Orders

The sale of products and services is allowed on the exhibit floor provided such sales are conducted in a professional, business-like manner, in accordance with AANS/CNS Section on Pediatric Neurological Surgery, and the

exhibitor complies with all state and local tax regulations. No signage or advertising of product pricing will be allowed. The Association reserves the right to restrict sales activities that it deems inappropriate or unprofessional.

Market Research

Market research can only be conducted by firms hired by a 2022 Section on Pediatric Neurological Surgery exhibitor. With its application for exhibit space, the research company must submit a letter of authorization from its sponsoring company and a list of all premiums proposed for distribution. Market research booths must remain open and staffed throughout the Pediatric Summit. All interviews must be conducted within the confines of the booth space—soliciting registrants in the aisles is strictly prohibited. Violations assessed against exhibiting market research companies may also be applied to the sponsoring company.

Exhibit Application

To be included in the initial assignment of space, potential exhibitors must complete application/ contract and return it with full payment on or prior to Friday, August 5. Applications received without payment will not be processed and no space assigned. If paying by credit card, you may fax or email your application.

Exhibit Booth Assignment

Payment in full (\$3,300 or \$3,500 per 10' x 10' booth) is due by Friday, August 5. Submission of an application does not guarantee booth assignment. Booths will be allocated on the following basis: 1. Priority points earned for previous five (5) Annual Meetings, 2. Number of booths requested, 3. Date of receipt of application, 4. Space availability, and 5. Proximity of competitor companies on the exhibit floor. Exhibitors earn one priority point for each 10' x 10' booth occupied in the last five years. If exhibitor fails to participate in the meeting in any given year, priority points will be forfeited. Companies that have merged with, been purchased by, or have purchased another company may use the exhibit history from either company, but not the combined history of both companies. The Association should be notified in writing the acquisition or merger between companies has been completed and indicate date of completion. If two or more companies request adjacent booth space, or if two or more companies' co-market a product at one booth, exhibit space assignment will be

made by averaging the co-marketing companies' points.

Space Relocation

The Association reserves the right to change the exhibit floor plan if conflicts arise regarding space requests or conditions that are beyond the Association's control. The Association reserves the right to relocate exhibitors demonstrating loud apparatus or conducting odor-producing activities in an area where the noise or aroma will not interfere with other exhibits. The Association reserves the right to determine at what point sound or odor interferes with others and must be discontinued. The Association reserves the right to relocate an exhibitor at any time, with the understanding that if the exhibitor does not agree with such relocation to the extent that the exhibitor cannot participate in the 2022 Section on Pediatric Neurological Surgery annual meeting, the payment for exhibit space will be fully refunded, proportionate to the exhibitors' level of participation.

Booth Space Reductions or Cancellations

Request for booth space reductions and/or cancellations must be made in writing. Written requests received on or before September 16, will receive a full refund of the cost of the space being reduced or cancelled, less a \$500 administrative fee. The Association will retain total cost of space being reduced or cancelled after September 16. An exhibitor's cancellation of booth space will result in the release of all assigned hotel guest rooms and Exhibitor badges. No refund will be allowed for exhibit space left unoccupied during the Annual Meeting. Refunds of cancellations or reductions will not be reimbursed until after the Annual Meeting.

Subletting of Space

The subletting, assignment, or apportionment of the whole or any part of an exhibitor's space by the exhibitor is prohibited. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor.

Linear Booths

All linear booths will be equipped with an 8' high back drape, 3' high side rails, and a 7" x 44" identification sign displaying the exhibitor's name and booth number.

Linear booths must not exceed 8' in height unless located at the hall perimeter—such booths may be 12' in height. Any construction that exceeds the 3' high side rail dividers shall not extend more than half the distance from the back wall of the exhibit, nor will any display be allowed to limit or otherwise interfere with other exhibits.

Exhibit Booth Construction and Arrangement

All exhibits must be confined to the spatial limits of their respective booth(s) as indicated on the floor plan and all equipment, products, or materials to be shown or demonstrated must be placed within the exhibitor's contracted exhibit space to ensure attendees viewing the exhibit will stand within said space, not in the aisles. All exposed parts of displays must be finished to present an attractive appearance when viewed from the aisles or from adjoining exhibits. If other exhibitors or the Association object to any exposed portions of a display, the exposed portions will be draped by the Association and billed to the exhibitor. All tables used in an exhibit space must be skirted.

Hanging Signs and Banners

No signs, parts of exhibits, or any other exhibit material are to be suspended from or attached to the ceiling or walls of the Exhibit Hall in any manner. All booth identification must be part of the physical structure of the booth itself.

Fire Regulations

All material used in the exhibit must be flame-proof and fire-resistant to conform to local fire ordinances and in accordance with the regulations established by the hotel.

Music Licensing

Exhibitors must receive relevant licenses from ASCAP and BMI if they plan to present live or pre-recorded music at any time during the meeting. Exhibitors are responsible for obtaining appropriate licenses for any copyrighted music used in connection with their exhibit.

Exhibit Booth Conduct

The Association reserves the right to approve all exhibits and activities related thereto. The Association may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the character of the AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting, or if it

exceeds the bounds of good taste as interpreted by the Association. An exhibitor of a questionable exhibit or activity relating thereto must submit a description of the exhibit or activity with the exhibit application for approval. Inspection of the Exhibit Hall will be made during installation hours. An effort will be made to advise exhibitors of any deviation from exhibit rules at that time. Exhibitors must make all corrections requested by the Association at their own expense or risk removal from the Exhibit Hall without notice and without obligation on the part of the AANS/CNS Section on Pediatric Neurological Surgery for any refund whatsoever. The Association reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of the AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting. Exhibit personnel may not enter another exhibitor's booth without obtaining permission. Linger in the aisles surrounding another exhibitor's booth for the purpose of obtaining product information or distracting booth personnel is strictly prohibited and may be cause for expulsion. Exhibitors may not sell any food or beverage on the exhibit floor without prior permission from the Section on Pediatric Neurological Surgery Annual Meeting office. Distribution of any literature outside of an exhibitor's own space is prohibited. No procedures may be performed on any live tissue on the exhibit floor. Exhibitors may not leave their booth unattended for an extended period.

Exhibitors are not permitted to dismantle prior to 3:45 pm on Saturday, December 2, 2022.

Dismantle prior to this time will result in the loss of current year priority points.

Non-contracted Exhibit Space

Any person, firm, or organization not having contracted with the Association for the occupancy of space in the Exhibit Hall will not be permitted to display or demonstrate any products, processes, services, or solicit orders.

Demonstration and Liability

Exhibitions or demonstrations by the exhibitor must be confined within the bounds of the exhibitor's assigned exhibit space and shall not interfere with aisle space. If the premises of the facility are defaced or destroyed by the exhibitor, its agent, or representatives, the exhibitor will be liable to the facility for such amount as shall be deemed necessary for restoration to the previous condition. This Agreement is

made and to be performed in Washington DC, and shall be construed in accordance with Nevada law, but not against any party by reason of that party having drafted it. No representative of Marriott Marquis Washington DC has been or is authorized to make any representation, which varies from the express terms of this contract, though the contract may be supplemented in writing. In any legal action or arbitration or other proceeding brought on account of a breach of any provision of this Agreement or to enforce any provision of this Agreement, the prevailing party shall be awarded its attorney's fees and other cost incurred in such action or proceeding, in addition to any other relief to which it may be entitled. Any modifications or changes to this Agreement must be made in writing and signed by both parties hereto. Any legal action in connection with this Agreement shall be brought in Washington DC.

Security

The Association will provide uniformed security guard service in the Exhibit Hall beginning with the delivery of exhibits to the hall through 10:00 pm, Saturday, December 3. Neither the Association nor Marriott Marquis, Washington DC will be held responsible for any loss or damage to the exhibitor's property. Exhibitors must take precautions to protect their property against pilferage.

Smoking

Smoking is prohibited inside the facility.

Children

Children under 18 years of age will NOT be permitted to enter the Exhibit Hall at any time during the meeting, including the installation and dismantling of exhibits.

Food and Beverage

Non-alcoholic beverages and food products are permitted in the Exhibit Hall if ordered through the facility. Food and beverages distributed must not conflict with items served at an Association-sponsored event or an event associated with a corporate support opportunity. Information on catering opportunities can be found in the Exhibitor Service Kit.

Photography and Video

Only the official photographer may take photographs in the Exhibit Hall. Details about the official photographer will be included in the Exhibitor Service Kit. Exhibitors may photograph or have their own booth photographed. Videography is not allowed without the written consent of

AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting Office.

Restrictions

Booth lighting should be directed to the inner confines of the booth space and should not project onto other exhibits or aisles. Rotating lighting and other specialized lighting effects should be in good taste and not interfere with neighboring exhibitors or otherwise detract from the general atmosphere of the event. Exhibitors who use noisy electrical devices, sound-producing movies, or other devices, which prove objectionable because of noise, odor, or other disagreeable features, must agree to keep the noise and/or odor of such devices at an absolute minimum. Exhibitors with such equipment must agree to accept space assignments, which will abate reasonable objections to these annoyances. X-ray equipment may be exhibited but not operated. Laser equipment may be operated only if the laser is contained within a safety shield.

FDA Compliance

All medical devices exhibited must have fulfilled all applicable Federal Drug Administration (FDA) regulations. Products that are not FDA-approved for a particular use in humans or which are not commercially available in the United States may be displayed only when accompanied by appropriate signs that indicate the device's FDA clearance status. The signs must be easily visible and placed near the device itself and on any graphics depicting the device. Unapproved devices with pending premarket approval (PMA) applications or pre-market notification (510(k)) submissions must display a sign stating "Pending 510(k)/ PMA. This device is not cleared by the FDA for sale in the United States." Unapproved devices without a pending 510(k) or PMA must display a sign stating, "This device is not cleared by the FDA for sale in the United States." Products in the development stage must bear a sign stating "Caution: Investigational device. Limited to investigational use."

Handouts and Giveaways

Distribution of samples of products and souvenirs is permitted. Approval of samples and souvenirs must be obtained by the AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting office prior to the meeting. Distribution of such products or souvenirs will be allowed, provided it is done in a dignified manner, does not create a nuisance, and causes no interference with adjoining exhibits.

Unapproved items will be removed from the exhibit floor. For approval, send a sample of all giveaways and handouts to: AANS/CNS 10 N. Martingale Road, Suite 190 Schaumburg, IL 60173-2294 by Monday, October 3. (Samples will not be returned.)

Contests, Raffles, and Drawings

Approved contests, drawings, or raffles must comply with all local, state, and federal laws governing such contest, raffles, or drawings, and have prior approval of the exhibits department. The rules must be posted at the booth and include Eligibility, date, and time of the drawing, the words "No purchase necessary to enter," odds of winning, how winners are notified, how participants can find out who won, etc. The exhibitor must agree to indemnify the Association, its Board of Directors, employees, and vendors in the event of any claims arising from the operation of the event. The Association must be notified of the winners and when the prize was awarded. The Association reserves the right to restrict contests, drawings, or raffles that it deems inappropriate or unprofessional. Requests for contests, raffles, and drawings must be submitted to the Corporate Development department (corporatedevelopment@cns.org) for approval by Monday, October 3, 2021.

Promotional Materials/ Use of Logo

Any promotional materials advertising your participation in the 2022 Section on Pediatric Neurological Surgery Annual Meeting or directing attendees to your booth or industry-supported events must be submitted to the Association for approval prior to distribution. The use of the name, insignia, logo, or other identifying marks of the AANS/CNS Section on Pediatric Neurological Surgery may not be used in signs, advertising, or promotions in any media or on descriptive product literature without express written permission. The only exception is that exhibitors may reference the 2022 Section on Pediatric Neurological Surgery (with overall dates and location) on their materials associated with the Annual Meeting. To prevent any misunderstanding, promotional copy for exhibitor meetings or functions may not be phrased "In conjunction with the AANS/CNS Section on Pediatric Neurological Surgery" or use similar language. By allowing the exhibitor to participate in the AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting, the Association does not endorse, either expressly or by implication, the exhibitor or its goods or services.

Awarding of CME

The Congress of Neurological Surgeons, as CME provider for the 2022 AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting, is the only organization authorized to grant CME credit for educational activities conducted during the AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting if delivered by an ACCME accredited organization. Companies wishing to provide CME for Satellite Symposia must notify the Association of this intent. No CME credit may be given from any source for activities on the exhibit floor.

Insurance

Exhibitors shall be fully responsible for any claims, liabilities, losses, damages, or expenses of whatever kind and nature relating to or arising from an injury to any person, or loss of or damage to property where such injury, loss, or damage is incident to, arises out of, or is in any way connected with the exhibitor's participation in the exhibition. Exhibitors shall protect, indemnify, hold harmless, and defend AANS/CNS Section on Pediatric Neurological Surgery, its officers, directors, agents, members, and employees against all such claims, liabilities, losses, damages and expenses, including reasonable attorney's fees and cost of litigation, provided that the foregoing shall not apply to injury, loss, or damage caused by, or resulting from, the negligence of the AANS/CNS Section on Pediatric Neurological Surgery, its officers, directors, agents or employees.

Exhibitors should maintain public liability insurance against claims of personal injury, death, or property damage incident to, arising out of, or in any way connected with their participation in the 2022 AANS/CNS Section on Pediatric Neurological Surgery, in the amount of not less than one million dollars (\$1,000,000) for personal injury, death, or property damage in any one occurrence.

Such insurance should include coverage of the indemnification obligations of exhibitors under the policy and procedures and should cover AANS/CNS Section on Pediatric Neurological Surgery as an additionally named insured. Each exhibit company is responsible for obtaining, for its protection and at its expense, such property insurance for its exhibit and display materials as the exhibitor deems

appropriate. Any policy providing such property insurance must contain an express waiver by the exhibitor's insurance company of any right of subrogation as to any claims against the AANS/CNS Section on Pediatric Neurological Surgery, its officers, directors, agents, members, or employees. The exhibitor further waives any claim against the AANS/CNS Section on Pediatric Neurological Surgery and its agents, employees, representatives, successors, and assigns, arising out of the oral or written publication of any statement made in connection with the AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting by anyone not an employee of the AANS/CNS Section on Pediatric Neurological Surgery concerning the exhibitor or their exhibit.

If any part of the Exhibit Hall is destroyed or damaged, preventing the AANS/CNS Section on Pediatric Neurological Surgery from permitting an exhibitor to occupy assigned space during part or all of the 2022 Section on Pediatric Neurological Surgery Annual Meeting, or in the event occupation of assigned space during part or all of the 2022 Section on Pediatric Neurological Surgery is prevented by strikes, Acts of God, national emergency, or other causes beyond the control of the AANS/CNS Section on Pediatric Neurological Surgery, exhibitors will be charged for space during the period it was or could have been occupied; and exhibitors hereby waive any claims against the AANS/CNS Section on Pediatric Neurological Surgery, its directors, officers, agents, members, or employees for losses or damages that may arise in consequence of such inability to occupy assigned space, its sole claim against the AANS/CNS Section on Pediatric Neurological Surgery

being a refund of exhibit fees for the period it was prevented from using the space.

Industry Corporate Support Events

Except to hold satellite symposia or social functions, exhibitors must confine their activities with medical attendees to their allotted exhibit space. No entertainment functions, meetings, courses, or social functions may be scheduled to conflict with AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting program hours, activity hours, or exhibit hours. Entertainment and social functions must be in good taste and conform to the purpose of the meeting. The Association should be notified in writing of any special activities (whether entertainment, educational, or promotional in nature) planned by an exhibiting company for the period beginning Wednesday, November 30, 2022

through Sunday, December 4, 2022. Announcements and invitations addressed to members of the medical profession concerning such corporate supported events should clearly indicate the name(s) of the corporate support and must in no manner imply directly or indirectly that the event is a part of, or an official activity of, the Association. Function space held by the Association will be released only to companies exhibiting at the AANS/CNS Section on Pediatric Neurological Surgery Annual Meeting.

Satellite Symposia

Any educational activity designed by or on behalf of industry for attendance by the 2022 Pediatric Meeting attendees is considered

a Satellite Symposium, whether CME credit is offered. All such activities are bound by the AANS/CNS Section on Pediatric Neurological Surgery Guidelines for Satellite Symposia (available online) and subject to Satellite Symposia fees.

Americans with Disabilities Act

Exhibitors are responsible for compliance with the Americans with Disabilities Act for their booth space.

Violations

Any violation of the Rules and Regulations shall subject the exhibiting company to the following penalties:

- **First violation:** Loss of current year priority points
- **Second violation:** Loss of one-half accrued points
- **Third violation:** Loss of remainder of points
- **Fourth violation:** One-year suspension of exhibit privileges

Disciplinary action will be progressive according to the above sequence. However, a more severe penalty may be levied at the discretion of the Association, without following the above sequence. The Association reserves the right to restrict and/or dismiss at any time any exhibit it deems undesirable. In the event of eviction, the Association will not be liable for any refunds on rental or other exhibit expenses.

Reductions & Cancellations

All booth reductions and cancellations must be made in writing. Requests received in writing by Friday, September 2 will receive a full refund, less \$500 administrative fee. The Association will retain total cost of space being reduced or cancelled after Friday, September 2. Refunds of cancellations or reductions will not be reimbursed until after the meeting date.

Terms of Participation

The purpose of the exhibits is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies, and services that are presented for use by Pediatric Neurological surgeons. Monies provided for Exhibit Hall booth purchases are not considered commercial support, nor shall support of this year's exhibit program be inferred as a commitment for any future programs. All exhibit fees will be used solely for expenses directly related to the 2022 AANS/CNS Section on Pediatric Neurological Surgery (Association) Annual Meeting. The Association and the Exhibitor acknowledge and agree that the funding shall not obligate the Association nor its affiliates to purchase, use, recommend, or arrange for the use of any products of the exhibitor or its affiliates. The Association does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the Annual Meeting. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor. The Association acknowledges that some drugs or medical devices demonstrated at the Annual Meeting have not been cleared by the FDA or have been cleared by the FDA for specific purposes only. The FDA has stated it is the responsibility of the physician to determine the FDA clearance status of each drug or medical devices he or she wishes to use in clinical practice.
