Brain and Spine Recurrent Tumors: The Neurosurgeon's Role

September 8-9, 2023
Washington, D.C.

EXHIBITOR & INDUSTRY SUPPORT PROSPECTUS

SECTION ON TUMORS

A Section of the American Association of Neurological Surgeons and Congress of Neurological Surgeons

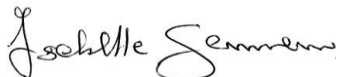

Dear Industry Partner:

On behalf of the AANS/CNS Section on Tumors, it is our pleasure to announce the 15th AANS/CNS Section on Tumors Satellite Symposium. These meetings occurring biennially just preceding our national meeting are comprehensive with condensed neuro-oncology focused content and are well attended by national and international participants. The 2023 Tumor Section Satellite Symposium held on September 8-9 just before the 2023 CNS Annual Meeting will be in Washington DC. The meeting's theme: "*Brain and Spine Recurrent Tumors: The Neurosurgeon's Role*" coupled with the meeting location and the world renowned experts are tremendous attractants to the participants. The Preliminary Scientific Program includes 2 days packed with educational activities. Details can be found at the end of this prospectus.

In an effort to make this the most successful Symposium yet and further the great work being done in neuro-oncology and care for patients with brain and spine tumors, we graciously request your support and look forward to finding an opportunity that meets your company's needs. To follow, please find the initial details about this event. We would be happy to offer additional information, which can be provided by Alex Waszok (847-805-4454, awaszok@cns.org), Colleen Dunphy (847-805-4482, cdunphy@cns.org), Stephanie Garrow (847-805-4494, sgarrow@cns.org), at your convenience. We would be delighted to arrange a Zoom meeting to discuss further.

Thank you for your consideration in advance and we hope that you will commit to supporting the meeting. We sincerely look forward to your presence and support in what promises to be an outstanding Symposium!

Sincerely,

Overview

The 2023 AANS/CNS Section on Tumor Satellite Symposium entitled: *“Brain and Spine Recurrent Tumors: The Neurosurgeon’s Role”* is a two-day educational event on Friday and Saturday September 8-9, 2023 just before the 2023 CNS Annual Meeting. The Symposium focuses on the neurosurgeon’s role at the time of tumor recurrences. The first day concentrates on primary brain tumors and meningioma recurrences. The second day focuses on metastatic recurrences in the brain and spine. Both days are filled with world-renowned speakers emphasizing the key role of neurosurgeons within multi-disciplinary teams to provide patient’s-specific treatments. The program also include oral presentations chosen from the top-scoring abstracts and breakout sessions aimed at covering academic and business aspects of neurosurgical oncology. Additionally, for the first time we are offering educational content focused to the needs of our advanced practice providers who plays an increasing role in our practices.

Housing Information

MCI is our partner for Housing. All rooms should be booked through the online portal. Housing will be available through the CNS Annual Meeting room block.

Changes and Cancellations

Refer to your Housing Confirmation for the cancellation policy at your hotel.

Exhibit Hall Access

On all show days, the Exhibit Hall will be open to exhibitor personnel one hour prior to the Exhibit Hall opening and 30 minutes after the show closes, with the exception of Saturday, September 9, 2023, when dismantlement begins. Admittance to the Exhibit Hall or meetings in the hall not in accordance with these scheduled times are not permitted.

Exhibitor Service Kit

A link to the service kit will be emailed Monday, June 12, 2023 from Freeman to the key contact listed on the contract. A link to the service kit will also be posted online.

The service kit includes shipping information and forms to order other show services.

Please note that you must ship your booth equipment for the Tumor Meeting separate from your booth equipment for the CNS Annual Meeting in order to ensure on-time delivery.

Rules & Regulations

Show management has established these rules and regulations to protect the interest of exhibitors, show management and medical attendees.

Interpretation of Rules

The following Rules and Regulations are part of the contract between the exhibitor and the AANS/CNS Section on Tumors (the Association). All matters not covered in these Rules and Regulations shall be referred to the Association for adjudication and the decision of the Association shall be final. These Rules and Regulations may be amended at any time by the Association and all the amendments so made shall be binding upon the exhibitor equally with these Rules and Regulations, and shall become a part thereof, provided the exhibitor is notified of the amendments. Notice may be verbal or in writing, before or during the AANS/CNS Section on Tumors 16th Biennial Satellite Symposium and may be given to any authorized agent or representative of the exhibitor.

Booth Assignments

- The Association reserves the right to change the exhibit floor plan if conflicts arise regarding space requests or conditions that are beyond the Association's control.
- The Association reserves the right to relocate exhibitors demonstrating loud apparatus or conducting odor-producing activities to an area where the noise or aroma will not interfere with other exhibits.
- Show Management reserves the right to determine at what point sound or odor interferes with others and must be discontinued.
- The Association reserves the right to relocate an exhibitor at any time, with the understanding that if the exhibitor does not agree with such relocation to the extent that the exhibitor cannot participate in the symposium, the deposit and/or full payment for exhibit space will be fully refunded.

Subletting Of Space

The subletting, assignment or apportionment of the whole or any part of an exhibitor's space by the exhibitor is prohibited. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space or display goods other than those manufactured or distributed by the contracting exhibitor.

Purpose of Exhibit

The sole purpose for contracting exhibit space is to display and/or demonstrate equipment, supplies and/or services. In accordance with IRS regulations, the solicitation of orders and/or the selling of any products or services for delivery during or following the meeting is strictly forbidden.

Demonstration and Liability

Exhibitions or demonstrations by the exhibitor must be confined within the bounds of the exhibitor's assigned exhibit space and shall not interfere with aisle space. If the premises of the facility are defaced or destroyed by the exhibitor, its agents or representatives, the exhibitor will be liable to the facility for such amount as shall be deemed necessary for restoration to the previous condition. This Agreement is made and to be performed in Washington DC and shall be construed in accordance with Washington DC law, but not against any party by reason of that party having drafted it.

No representative of the Walter E. Washington Convention Center has been or is authorized to make any representation which varies from the expressed terms of this contract, though the contract may be supplemented in writing. In any legal action or arbitration or other proceeding brought on account of a breach of any provision of this Agreement or to enforce any provision of this Agreement, the prevailing party shall be awarded its attorney's fees and other costs incurred in such action or proceeding, in addition to any other relief to which it may be entitled. Any modifications or changes to this Agreement must be made in writing, signed by both parties hereto. Any legal action in connection with this Agreement shall be brought in Washington DC.

Americans with Disabilities Act

Exhibitors are responsible for compliance with the Americans with Disabilities Act of 1992 within their booth space.

Booth Construction and Arrangement

All exposed parts of displays must be finished so as to present an attractive appearance when viewed from the aisles or from adjoining exhibits. If other exhibitors of the Association object to any exposed portions of a display, the exposed portions will be draped by the Association and billed to the exhibitor. All tables used in an exhibit space must be skirted.

Booth Conduct

The Association reserves the right to approve all exhibits and activities related thereto. The Association may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the character of the AANS/CNS Section on Tumors, or if it exceeds the bounds of good taste

as interpreted by show management. An exhibitor of a questionable exhibit or activity relating thereto must submit a description of the exhibit or activity for approval 60 days prior to the meeting. Inspection of the Exhibit Hall will be made during installation hours. Every effort will be made to inform exhibitors of any deviation from exhibit rules at that time. Exhibitors must make all corrections requested by Show Management at their own expense or risk removal from the exhibition without notice and without obligation on the part of the AANS/CNS Section on Tumors 16th Biennial Satellite Symposium for any refund whatsoever.

The Association reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of the meeting. Exhibit personnel may not enter another exhibitor's booth without obtaining permission. Linger in the aisles surrounding another exhibitor's booth for the purpose of obtaining product information or distracting other booth personnel is strictly prohibited and may result in expulsion.

The Association does not in any manner endorse any of the products or services related to the exhibits which have been accepted for display during the meeting. Exhibitors may not sell any food or beverage on the exhibit floor. Distribution of any literature outside of an exhibitor's own space is strictly prohibited, and if found, will be removed. No procedures may be performed on any live tissue or cadavers on the exhibit floor.

No Access to Exhibit Hall If Under the Age of 18

Persons under 18 years of age will NOT be permitted to enter the Exhibit Hall at any time during the meeting. This includes installation, show hours and dismantling of exhibits.

Drawings

All drawings must comply with all local, state, and federal laws governing drawings and have prior approval of Show Management. The rules must be posted at the exhibitor's booth and must include eligibility, date and time of the drawing, the words "no purchase necessary to enter," odds of winning, how winners are notified, how participants obtain names of winners, etc. The exhibitor must agree to indemnify the Association, its Board of Directors, employees, and vendors in the event of any claims arising from the operation of the event. The Association must be notified of the winners and date the prize was awarded. The Association reserves the right to restrict drawings that it deems inappropriate or unprofessional.

FDA Compliance

Any medical device exhibited must have fulfilled all applicable Federal Drug Administration (FDA) regulations. Unapproved devices with Pending Pre-market Approval (PMA) applications or pre-market notification (510 (k) submissions should bear a label stating: "Pending 510 (K)/PMA, not available for sale

within the United States." Unapproved devices without a pending 510 (k) or PMA should bear a label stating: "Not available in the United States." Products in the development stage should bear a label stating: "Work in progress."

Fire Regulations

All material used in the exhibit must be flame-proofed and fire resistant in order to conform to local fire ordinances and in accordance with the regulations established by the Walter E. Washington Convention Center.

Giveaways and Handouts

Distribution of product literature and samples of products is permissible. Approval must be obtained by the Exhibits Manager at least three weeks prior to the meeting. Distribution of such products or souvenirs will be allowed, provided it is done in a dignified manner, does not create a nuisance and causes no interference with adjoining exhibits. Unapproved items will be removed from the exhibit floor. (Samples will not be returned). For approval, send a sample to:

Attn: Corporate Development
Congress of Neurological Surgeons
10 N. Martingale Rd.
Schaumburg, IL 60193

Industry Sponsored Events

Except to hold entertainment or social functions, exhibitors must confine their activities to their allotted exhibit space. No entertainment functions, meetings, courses, or social functions may be scheduled to conflict with AANS/CNS Section on Tumors 16th Biennial Satellite Symposium program hours, activity hours or exhibit hours. Entertainment and social functions must be in good taste and conform to the purpose of the meeting.

The Association should be notified in writing of any special activities (whether entertainment, educational or promotional in nature) planned by an exhibiting company for the period beginning Wednesday, September 6, 2023 through Saturday, September 9, 2023. Announcements and invitations addressed to members of the medical profession concerning such industry-sponsored events must be submitted and approved by show management prior to production and distribution, and should clearly indicate the name(s) of the sponsor and must in no manner imply directly or indirectly that the event is a part of, or an official activity of, the Association. Function space held by the Association will be released only to companies exhibiting at the meeting.

Industry Satellite Symposium

Any educational activity that is designed by or on behalf of industry for attendance by the 2023 Tumor Section Satellite Symposium attendees is considered an Industry Satellite Symposium, whether or not CME credit is offered. All such activities are bound by the AANS/CNS Section on Tumors' Guidelines for Satellite Symposia and subject to Satellite Symposia fees.

Insurance

The exhibitor acknowledges that the American Association of Neurological Surgeons (AANS), Congress of Neurological Surgeons (CNS), Freeman, and the Walter E. Washington Convention Center are not obligated to maintain property, liability or business interruption insurance covering the exhibitor. It is the sole responsibility of the exhibitor to obtain such insurance and the exhibitor must do so at his/her own expense.

Liability/Hold Harmless Agreement

Each exhibitor assumes full responsibility and liability for and agrees to protect, defend, indemnify, save and hold forever harmless the American Association of Neurological Surgeons (AANS), Congress of Neurological Surgeons (CNS), AANS/CNS Section on Tumors, Freeman, and the Walter E. Washington Convention Center, and their respective agents, employees, representatives, successors and assigns, from any and against all claims, demands, causes of action, damages, costs and expenses, including attorney's fees, for injury to person or damage to property, including theft, misappropriation or loss of property asserted against either or all of them arising out of or in connection with the exhibitor's occupancy or use of the Walter E. Washington Convention Center and its exhibition hall, including but not limited to the installation, maintenance and removal of the exhibit, and from and against any penalty, damages or charges imposed for the violation of any law, ordinances or regulations arising out of or in connection with the exhibitor's occupancy or use of the Walter E. Washington Convention Center and its exhibition hall, resulting from the negligent act or acts of its employee(s) or products.

The exhibitor waives any and all claims it may have against any or all of the official service contractor and their respective agents, employees, representatives, successors and assigns for injury or damage to persons or property (including theft, misappropriation, or loss of property) arising out of or in connection with the AANS/CNS Section on Tumors 16th Biennial Satellite Symposium and the use of the Walter E. Washington Convention Center, except as may arise

solely from the gross negligence of one of the foregoing parties.

The exhibitor further waives any claim against the American Association of Neurological Surgeons (AANS) and Congress of Neurological Surgeons (CNS) and its agents, employees, representatives, successors and assigns, arising out of the oral or written publication of any statement made in connection with the AANS/CNS Section on Tumors 16th Biennial Satellite Symposium Meeting by anyone not an employee of the AANS or CNS concerning the exhibitor or his/her exhibit.

In the event that the Walter E. Washington Convention Center or any portion thereof is destroyed or damaged by fire or other calamity so as to prevent the use of the premises for the purposes and during the period of the exhibit or in the event The AANS/CNS Section on Tumors 16th Biennial Satellite Symposium, the Walter E. Washington Convention Center or official service contractor (Freeman) cannot use or occupy the premises because of strikes, acts of God, national emergency or other causes beyond their control, the exhibitor's right to exhibit lease shall terminate and the exhibitor hereby waives any claim it may have against any of the foregoing parties by reason of such termination, except that if such event occurs prior to September 8, 2023, the opening day of the meeting, the AANS/CNS Section on Tumors shall refund the prepaid fee to the exhibitor.

Restrictions

- Exhibitors who use noisy electrical devices, sound-producing movies or other devices which prove objectionable because of noise, odor or other disagreeable features, must agree to keep the noise and/or odor of such devices at an absolute minimum. Exhibitors with such equipment must agree to accept space assignments which will abate reasonable objections to these annoyances.
- X-ray equipment may be exhibited but not operated.
- Laser equipment may be operated only if the laser is contained within a safety shield.

Security

The Association will provide uniformed security guard service in the Exhibit Hall beginning with the delivery of exhibits to the Exhibit Hall through 1:30 p.m., Saturday, September 9. The CNS, Freeman, or the Walter E. Washington Convention Center will not be held responsible for any loss or damage to the exhibitor's property.

Pre-Meeting Attendee List \$250, Post-Meeting Attendee List \$500

View the attendees company information either before or after the Tumor Section Meeting. The CNS will provide one copy of the attendee list good for one mailer for the 2023 Tumor Section Meeting. Both a Pre-Meeting and Post-Meeting list will be available for purchase.

Pre-Meeting or Post-Meeting Eblast \$5,000

Provide company information to the attendees with a Pre-Meeting Eblast. Your content must be approved and the Eblast will be co-branded with the Tumor Section and CNS logos. *Limit of three (3) opportunities pre-meeting and three (3) opportunities post meeting, for a total of six (6).*

Convention Center & Headquarter Hotel Branding

If you are looking to make a larger splash with branding options such as Escalator, Elevator, Floor, & Window Clings, then please contact the CNS Corporate Development team at corporatedevelopment@cns.org for exact opportunities and pricing.

Educational Grant Opportunities

General Session Grant \$15,000

The general sessions are a part of the meeting that highlight featured speakers and top leadership in tumor neurosurgery. With all attendees participating, this is a high-profile event. Recognition includes acknowledgement of your educational grant via onsite signage, onsite program, and the General Session's Slideshow. *Limit of four (4) opportunities available.*

General Educational Grants \$5,000 or Greater

Not sure what to support or how much to invest? This allows your company to contribute to the meeting at a comfortable level which will be used to support the general activities of the meeting. AANS/CNS Section on Tumors 16th Biennial Satellite Symposium attendees will recognize your generosity and appreciate your support of their specialty via signage at the meeting, in the program book, and meeting app. A perfect opportunity for any exhibitor!

Terms of Participation

All provisions of the Rules and Regulations and general information, as hereby published, shall be a part of this contract. The application deadline is Friday, May 26. We hereby apply, subject to the terms of the Joint Section on Tumors printed Rules and Regulations, for exhibit space.

The purpose of the exhibits is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies, and services that are presented for use by tumor surgeons. Monies provided for Exhibit Hall booth purchases are not considered commercial support, nor shall support of this year's exhibit program be inferred as a commitment for any future programs. All exhibit fees will be used solely for expenses directly related to the 2023 Joint Section on Tumors Biennial Satellite Symposium. The Association and the exhibitor acknowledge and agree that the funding shall not obligate the Association nor its affiliates to purchase, use, recommend, or arrange for the use of any products of the exhibitor or its affiliates. The Association does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the Annual Meeting. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor. The Association acknowledges that some drugs or medical devices demonstrated at the Annual Meeting have not been cleared by the FDA or have been cleared by the FDA for specific purposes only. The FDA has stated it is the responsibility of the physician to determine the FDA clearance status of each drug or medical devices he or she wishes to use in clinical practice.

Reductions & Cancellations

All booth reductions and cancellations must be made in writing. Requests received in writing by **Friday, May 26** will receive a **full refund, less \$500 administrative fee**. The Association will retain total cost of space being reduced or cancelled after **Friday, May 26**. Refunds of cancellations or reductions will not be reimbursed until after the meeting date.
