Course Description
This course provides a peer review forum for the discussion of complications related to brain tumor surgery. Clinical decisions, operative techniques, and equipment-related issues will be discussed in order to pass along lessons learned, point out safety concerns, and improve the surgical management of patients with brain tumors. The impact of complications on patients and surgeon’s well being will also be addressed.

Learning Objectives
Upon completion of this course, attendees will be able to:

- Recognize factors that lead to complications and poor outcomes when treating brain tumors
- Discuss strategies for complication avoidance and management
- Identify the impact of complications on patient quality of life
- Discuss how complications impact physician wellness

Accreditation Statement
The Congress of Neurological Surgeons is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement
The CNS designation this live activity for a maximum of 9.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AGENDA

Saturday, January 15

6:30–7:00 am
Registration & Breakfast

7:00–8:15 am
Glioma Surgery
Speakers: Mitch Berger, Constantinos G. Hadjipanayis, Maryam Rahman, Ganesh Rao

8:15 - 9:30 am
Brain Metastases
Speakers: Veronica Chiang, Maryam Rahman, Constantinos G. Hadjipanayis, Ganesh Rao

9:30-9:45 am
Morning Break

9:45-11:00 am
Anterior Skull Base
Speakers: Jacques Morcos, Pamela Jones, William Curry, Daniel Prevedello, Garni Barkhoudarian

11:00am –12:15 pm
Posterior Fossa/Lateral Skull Base
Speakers: Veronica Chiang, Jacques Morcos, Maryam Rahman, Garni Barkhoudarian, Daniel Prevedello

12:15–1:15 pm
Lunch Break

1:15-2:30 pm
Endoscopic Endonasal Approaches for Skull Base Tumors
Speakers: Daniel M. Prevedello, Pamela Jones, Jacques Morcos, William Curry, Garni Barkhoudarian

6:00 – 7:00 pm
Evening Reception
Sunday, January 16

6:30 – 7:00 am
Registration & Breakfast

7:00-8:15 am
Intraventricular Tumors and Cysts
Speakers: Constantinos G. Hadjipanayis, Daniel M. Prevedello, Jacques Morcos

8:15 – 9:30 am
Complications Related to Technology used for Brain Tumor Resections

9:30 – 10:15 am
Managing the Aftermath of Complications & 2nd Victim Phenomenon

Agenda and Faculty subject to change
