This virtual course is for physicians preparing for the ABNS Oral Board. It explores and presents content through a variety of instructional methods, including didactic lectures, group case study discussions, and one on one sessions with instructors to hone their skills.

**General Course Grant - $15,000**

Educational Grant will be recognized by company name via:

- The Supporters Flyer on the [course website](#).
- A verbal thank you for your company’s support on each day of the course.
- Virtual walk-in slides.
- One email communication to attendees.
- One CNS social media post.
