Interpretation of Rules

The following Rules and Regulations are part of the contract between the exhibitor and the AANS/CNS Joint Section on Pain (the Association). All matters not covered in these Rules and Regulations shall be referred to the Association for adjudication and the decision of the Association shall be final. These Rules and Regulations may be amended at any time by the Association and all the amendments so made shall be binding upon the exhibitor equally with these Rules and Regulations, and shall become a part thereof, provided the exhibitor is notified of the amendments. Notice may be verbal or in writing, before or during the AANS/CNS Joint Section on Pain 2020 Annual Meeting, and may be given to any authorized agent or representative of the exhibitor.

Exhibit Booth Assignments

- The Association reserves the right to change the exhibit floor plan if conflicts arise regarding space requests or conditions that are beyond the Association’s control.
- The Association reserves the right to relocate exhibitors demonstrating loud apparatus or conducting odor-producing activities to an area where the noise or aroma will not interfere with other exhibits.
- Show Management reserves the right to determine at what point sound or odor interferes with others and must be discontinued.
- The Association reserves the right to relocate an exhibitor at any time, with the understanding that if the exhibitor does not agree with such relocation to the extent that the exhibitor cannot participate in the symposium, the deposit and/or full payment for exhibit space will be fully refunded.

Subletting Of Space

The subletting, assignment or apportionment of the whole or any part of an exhibitor’s space by the exhibitor is prohibited. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space or display goods other than those manufactured or distributed by the contracting exhibitor.

Purpose of Exhibit

The sole purpose for contracting exhibit space is to display and/or demonstrate equipment, supplies and/or services. In accordance with IRS regulations, the solicitation of orders and/or the selling of any products or services for delivery during or following the meeting is strictly forbidden.

Demonstration and Liability

Exhibitions or demonstrations by the exhibitor must be confined within the bounds of the exhibitor’s assigned exhibit space and shall not interfere with aisle space. If the premises of the facility are defaced or destroyed by the exhibitor, its agents or representatives, the exhibitor will be liable to the facility for such amount as shall be deemed necessary for restoration to the previous condition. This Agreement is made and to be performed in Las Vegas, NV and shall be construed in accordance with Las Vegas, NV law, but not against any party by reason of that party having drafted it. No representative of the Cosmopolitan of Las Vegas has been or is authorized to make any representation which varies from the expressed terms of this contract, though the contract may be supplemented in writing. In any legal action or arbitration or other proceeding brought on account of a breach of any provision of this Agreement or to enforce any provision of this Agreement, the prevailing party shall be awarded its attorney’s fees and other costs incurred in such action or proceeding, in addition to any other relief to which it may be entitled. Any modifications or changes to this Agreement must be made in writing, signed by both parties hereto. Any legal action in connection with this Agreement shall be brought in Las Vegas, NV.

Americans with Disabilities Act

Exhibitors are responsible for compliance with the Americans with Disabilities Act of 1992 within their Exhibit Booth space.

Exhibit Booth Construction and Arrangement

All exposed parts of displays must be finished so as to present an attractive appearance when viewed from the aisles or from adjoining exhibits. If other exhibitors of the Association object to any exposed portions of a display, the exposed portions will be draped by the Association and billed to the exhibitor. All tables used in an exhibit space must be skirted.

Exhibit Booth Conduct

The Association reserves the right to approve all exhibits and activities related thereto. The Association may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the
character of the AANS/CNS Joint Section on Pain, or if it exceeds the bounds of good taste as interpreted by show management. An exhibitor of a questionable exhibit or activity relating thereto must submit a description of the exhibit or activity for approval 60 days prior to the meeting. Inspection of the exhibit hall will be made during installation hours. Every effort will be made to inform exhibitors of any deviation from exhibit rules at that time. Exhibitors must make all corrections requested by Show Management at their own expense or risk removal from the exhibit without notice and without obligation on the part of the AANS/CNS Joint Section on Pain 2020 Annual Meeting for any refund whatsoever. The Association reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of the meeting. Exhibit personnel may not enter another exhibitor’s Exhibit Booth without obtaining permission. Lingering in the aisles surrounding another exhibitor’s Exhibit Booth for the purpose of obtaining product information or distracting other Exhibit Booth personnel is strictly prohibited and may result in expulsion. The Association does not in any manner endorse any of the products or services related to the exhibits which have been accepted for display during the meeting. Exhibitors may not sell any food or beverage on the exhibit floor. Distribution of any literature outside of an exhibitor’s own space is strictly prohibited, and if found, will be removed.
