NO IMPLICATION IS INTENDED AS TO THE PROFESSIONAL QUALIFICATIONS OF THE INDIVIDUALS LISTED IN THIS DIRECTORY. All of the individuals listed have stated that they specialize in the practice of neurological surgery. Their training and experience vary widely, however, and inclusion in the directory does not constitute an endorsement of the individual by the Congress of Neurological Surgeons.

The help of the heads of the residency training programs in the United States in supplying names and addresses of recent graduates is gratefully acknowledged.

If a name or listing sought is not found initially, please consult **Appendix**. This short list contains information which was returned after the publishing deadline, those with partial information, etc. Any additional information regarding these listings or those who may not be listed, will be appreciated by this Committee.

Additions, corrections and suggestions for this directory are invited by the Survey Committee's Chairman, George Ablin, M.D., 2828 "H" St., Bakersfield, California 93301.
