Dear Industry Partner,

The American Society for Stereotactic and Functional Neurosurgery invites you to exhibit at the ASSFN 2024 Biennial Meeting, taking place June 1-4, 2024, in Nashville, TN at the Grand Hyatt Hotel.

In what is already a successful meeting, we look to improve our connection with you. The ASSFN 2024 Biennial Meeting is dedicated to the rapidly growing specialty of stereotactic and functional neurosurgery and emphasizes cutting-edge clinical applications and recent discoveries in the basic neurosciences. The hard work of the scientific program committee has resulted in an unprecedented representation of research and clinical practice, covering the fields of movement disorders, epilepsy, psychiatric diseases, pain, and neuro-imaging.

What’s new and exciting in ASSFN 2024? Our theme this year is Collaborations and Connectomes. We will highlight the uniquely collaborative nature of functional neurosurgery, and the close relationships with neurologists, psychiatrists, bioengineers, and neuroscientists. Nashville being Music City, we also anticipate hosting musicians to discuss their collaborative song-writing process, and we will explore parallels between teamwork in sports and neurosurgery. High-profile speakers on ethical considerations in neurotechnology are also expected. Overall, we expect that our complement of high-yield topics and prominent speakers will draw plenty of foot traffic to the meeting.

The ASSFN 2024 Biennial Meeting is expected to attract 400 participants seeking education on advances and future technology in stereotactic and functional neurosurgery. This event offers you the ability to renew relationships with existing contacts and to interact and meet with attendees. From multiple daily beverage breaks to the opening reception, the ASSFN provides opportunities for you to reach decision makers in multiple disciplines.

We very much value industry support and partnership in developing new therapies and making them available to our patients—and your sponsorship of our scientific meeting facilitates this entire process.

We ask you to consider supporting this valued program with a sponsorship or an educational grant in addition to your exhibit booth space. If an Agreement is signed before our designated deadline, sponsors will be recognized in the meeting’s program book and signage and will have priority placement for your exhibit booth space. Please let us know of your interest in this important meeting by completing and returning the industry support application and exhibitor application found at the end of this prospectus.

As always, please contact our friends at the Congress of Neurological Surgeons (CNS) who are helping to put this meeting together.

We look forward to partnering with you.

Sincerely,

Dr. Andre Machado

ASSFN President

Overview
The American Society for Stereotactic and Functional Neurosurgery (ASSFN) is dedicated to being the premier organization representing Stereotactic and Functional Neurosurgery. The ASSFN promotes multidisciplinary collaboration among clinicians, scientists, engineers, and others to advance the field through education, research, innovation, and advocacy. Through these efforts, the ASSFN seeks to improve the lives of people suffering from neurological disease through the application of advances in neurosurgery, technology, and translational neuroscience.

Reach Decision Makers at the ASSFN!
Exhibiting at the ASSFN 2024 Biennial Meeting is an excellent way to:

- Maintain business relationships with your valued customers
- Develop new relationships with leaders in the field of stereotactic and functional neurosurgeons and learn more about the products and services they want
- Increase your company’s visibility with key decision-makers looking for the latest information on your products and services
- Educate your company’s target audience about products and services
Attendee Demographics

Our Attendees Care about Your Products

The American Society for Stereotactic and Functional Neurosurgery Biennial Meeting attracts 400 respected neurosurgeons and allied healthcare professionals from leading universities, hospitals, and private practices across the United States and around the world.

Our attendees are key decision makers and future leaders in the field of stereotactic and functional neurosurgery. They come to the meeting seeking information on the latest products and services to improve their practice and quality of patient care. Attendees’ top reasons for visiting the exhibit hall are to see new products and network with industry professionals and colleagues.

International Reach

The American Society for Stereotactic and Functional Neurosurgery Biennial Meeting has neurosurgical members from around the globe including:

- Australia
- Austria
- Brazil
- Canada
- China
- Colombia
- France
- India
- Israel
- Japan
- Russia
- Russian Federation
- South Africa
- South Korea
- Spain
- Taiwan, Providence of China
- United Kingdom
- Uruguay

Traffic Generators for Exhibitors

Exhibits are an important part of the educational experience for the attendees. To encourage participation:

- Exhibit Hall is conveniently located near the Scientific Session and other meeting rooms.
- Two daily unopposed beverage breaks encourage traffic flow and help maximize exposure in the Exhibit Hall
- Industry Support opportunities allow you to further increase your visibility with attendees. See page 15 for more details.

Exhibitor Specifics

**Meeting Dates**
June 1-4, 2024

**Exhibit Dates**
June 2-4, 2024

**Location**
Grand Hyatt Nashville
1000 Broadway, Nashville, TN 37203
Phone: 404-745-5000

**Registration**
Saturday, 7:00 am–5:00 pm
Sunday, 6:00 am–5:00 pm
Monday, 6:00 am–5:00 pm
Tuesday, 6:00 am–12:00 pm

**Installation**
Saturday, June 1, 2024

**Exhibit Hours**
Sunday, June 2, 2024: 9:00 am – 4:00 pm
Monday, June 3, 2024: 8:30 am – 5:30 pm
Tuesday, June 4, 2024: 8:30 am – 10:30 am

**Dismantling**
Tuesday, June 4, 2024 beginning at 10:30 am

**Meeting Office:**
Congress of Neurological Surgeons
10 N. Martingale Road, Suite 190
Schaumburg, IL 60173-2294
Tel: 847-240-2500
Fax: 847-240-0804
E-mail: corporatedevelopment@cns.org

**Remit all payments to:**
Congress of Neurological Surgeons
Attn: Billing Dept
10 N. Martingale Road, Suite 190
Schaumburg, IL 60173-2294

**Exhibit Space Pricing**
Each exhibit space is 8’ deep x 10’ wide.
A maximum of four (4) booths can be purchased. The price of each 8’ X 10’ exhibit space is $7,500

**Checks must be mailed to:**
Congress of Neurological Surgeons
Attn: Billing Dept
10 N. Martingale Road, Suite 190
Schaumburg, IL 60173-2294

**Exhibitor Application Deadline**
Friday, February 2, 2024

---

**Equipment**
Each exhibit space will be equipped with an 8’ back drape, 3’ side rails, and an identification sign. Electricity, audiovisual, telephone, internet access, etc. will be at the expense of the exhibitor. This exhibit facility is carpeted.

**Exhibit Hall Location**
All technical exhibits will be located in Grand Hall E at the Grand Hyatt Nashville.

**Exhibit Hall Access**
Exhibitor personnel will be permitted on the exhibit floor two hours prior to opening and may remain 30 minutes after the daily closing of the Exhibit Hall, with the exception of Tuesday, June 4, 2024, when dismantling begins. All booth personnel meetings must be conducted within these hours and within the confines of your booth. Admittance other than at the above specified times are not permitted.

**Scientific Session Access**
Exhibitors may attend the daily Scientific Sessions free of charge once all attending doctors are seated. Exhibitors may NOT register for special courses or industry sponsored lunches.

**Exhibitor Service Kit**
The Exhibitor Service Kit, including shipping instructions and various service order forms, will be emailed to exhibiting companies on Monday, March 4, 2024.

**Registration, Badge, and Program Book Distribution**
Only confirmed exhibitors may register for the meeting. Distributor or guest badges are not available. The non-member, non-physician category is open to scientists and researchers involved in neurosurgical research and/or product development. This category is not open to representatives of non-exhibiting medical device manufacturers and distributors, pharmaceutical companies or other organizations providing goods and services to the neurosurgical population.

Badges will be distributed to booth personnel at Exhibitor Registration. Exhibitors may register two (2) booth personnel per contracted 8’ X 10’ booth free of charge. All advance registrations above the free allotment will be charged $150 each. All registrations after the deadline and all on-site registrations will be assessed an additional $50 processing fee. No exceptions will be made. Representatives without a badge or with badges not prepared by the American Society for Stereotactic and Functional Neurosurgery will not be admitted into the Exhibit Hall.

Badges are personal and non-transferable and must be worn in the exhibit area at all times. Attaching unapproved cards, ribbons, or other items to badges is not permitted. Replacements for lost or stolen badges may be purchased for $50 each on site.

Each exhibitor is entitled to two (2) copies of the Program Book per 8’ X 10’ booth contracted, up to a maximum of four (4) books. A designated company representative must collect the books on site at the exhibitor registration desk.

**Neurosurgical Attendance**
Section members, other neurosurgeons, or allied medical professionals who are not considered full-time employees of the exhibiting company may not register as an exhibitor. Neurosurgeon employees may register as representatives of exhibiting companies, but will not receive CME credit or an attendance certificate.

**Opening Reception**
Sunday, June 2, 2024 from 6–8 pm at the Grand Hyatt Nashville. Exhibitors who book housing through the official ASSFN Meeting housing block will receive two (2) complimentary tickets per 8’x10’ booth contracted. Additional tickets may be purchased on-site for $100.

**Housing Information**
A special exhibitor housing block has been reserved at Grand Hyatt Nashville. Housing and registration forms will be live on Monday, February 5, 2024.

Industry Support Program

2024 Industry Support Levels

Gain increased exposure both inside and outside the Exhibit Hall by becoming an ASSFN 2024 Biennial Meeting corporate supporter. The American Society for Stereotactic and Functional Neurosurgery offers outstanding support opportunities to suit any budget and customized packages to help you target any market. Your support contribution as an Industry Partner provides valuable education programs and networking events throughout the ASSFN meeting. Show your support for the specialty by becoming an ASSFN meeting industry supporter today!

2024 Industry Support Benefits

Industry Support consists of a company purchasing an Exhibit Booth along with Sponsorship or Educational Grant at the ASSFN 2024 Biennial Meeting. Advertising helps contribute to overall support with a Sponsorship or Educational Grant.

Thank you for your support of the American Society for Stereotactic and Functional Neurosurgery. Please review the various levels and benefits and contact your CNS Corporate Development Team at corporatedevelopment@cns.org if you have any questions.

*In order to qualify for the Supporter level and receive the above benefits, support must include the following: Exhibit Booth space AND Sponsorship or Educational Grant. Advertising secured will not count towards a level without a Sponsorship or Educational Grant contribution.*
Sponsorship Opportunities

Choose from these great industry support opportunities and create your own customized support package to meet your company’s sales goals.

Sponsored Breakfast (Non-CME) $25,000
Sponsored Lunch (Non-CME) $25,000

Connect with neurosurgeons beyond your exhibit booth in a meaningful way that is valuable to them by hosting a sponsored session during their meal breaks. Support of a Breakfast or Lunch Symposium includes use of a meeting room that can accommodate 240 attendees. Also included are a standard A/V set (projector, podium, microphone, screen), promotion of the breakfast/lunch via onsite signage, acknowledgement in the Program Book, and company logo and hyperlink to your company website on the sponsorship page of the meeting website. *Sponsoring company is responsible for food & beverage.*

- **Sunday Lunch** (2 spots)
- **Monday Breakfast** (2 spots)
- **Tuesday Breakfast** (2 spots)

**Sponsored Beverage Break $7,500 per break**
Provide attendees with a pleasant break in the day. Beverage breaks take place in the Exhibit Hall twice daily. Sponsor may provide logo cups and napkins at their own expense. Support for this event includes recognition via onsite signage and in the Program Book. Four (4) breaks are available.

**Satellite Symposium (Non-CME) $5,000 - $20,000 (depends on attendance numbers)**
We are gathering leading stereotactic and functional neurosurgeons to Nashville. Take advantage of this captive audience to educate your customers and prospects about your latest technology or to host a focus group discussion. Limited time slots are available for Saturday and Sunday. Contact [corporatedevelopment@cns.org](mailto:corporatedevelopment@cns.org) and request the Satellite Symposium Application for more details. *Any industry gathering of ASSFN medical attendees during the designated meeting dates is considered a Satellite Symposium and subject to guidelines and sponsorship pricing.*

**Sponsored Charging Lounge $30,000**
Gain meaningful advertising space and help attendees stay in touch with the home and office by supporting a rapid charging station within the meeting space. This opportunity includes a prominent display of your company logo and information within the centrally located charging station lounge area. A place where attendees can sit and relax while their devices charge.

**VIP Social Events (Call for Pricing)**
Whether the **Opening Reception** or the **Faculty Dinner**, our **VIP Social Events** are the perfect networking opportunity. Support of these events would be a co-sponsorship with ASSFN and include complimentary tickets to supported event, acknowledgement in the Program Book, and company logo and hyperlink to company website on sponsorship page of the meeting website.
Advertising Opportunities

Choose from these great opportunities and create your own customized marketing package to meet your company’s goals.

**Hotel Key Cards $15,000**
Put your name and logo in the hands of every attendee at Grand Hyatt Nashville. The supporter designs the keycard artwork with ASSFN approval. Company is responsible for production of sponsored item as well as all associated production costs.

**Door Drop Insert in Doctor’s Bag $2,000**
Delivered to all attendees on Sunday night, this is the perfect opportunity to preview your product launches, in-booth demonstrations, and other activities attendees will not want to miss. (Maximum of one two-sided, 8.5” x 11” sheet).

**Doctor’s Bag for Door Drop $4,000**
Input your logo and message on the bag that will be placed on the door handle of all medical attendees’ rooms who are staying at the HQ Hotel on Saturday night. The above price includes production, so the CNS will select and print the bags. Your artwork needs CNS approval before print.

**Registrations Bags $10,000**
Input your logo and message on the bag given to every medical attendee at Registration. Your company selects and produces the bag and can insert one promotional insert per bag. The above price does not include production. The bag and insert needed CNS approval prior to production.

**Exhibitor Meeting Room $7,500**
*Available to ASSFN Exhibitors only. Please contact your CNS Industry Relations rep or corporatedevelopment@cns.org for an application. Limited availability.

**Registration Insert $3,000**
Provided to all attendees as they pick up their badges, this is the perfect opportunity to preview your product launches, in-booth demonstrations, and other activities attendees will not want to miss. (Maximum of one two-sided, 8.5” x 11” sheet).

**Program Book Cover Advertising $2,500 each**
The Program Book provides attendees a handy reference of all key events and exhibitor information. The Preliminary Program is distributed in advance of the meeting, and the Program Book is distributed to all attendees onsite at registration (approximately 500 medical attendees). Artwork must be received by no later than March 21, and provided in 8.5” x 11” with full crop and bleed. Cover 2 and Cover 4 available in each book.

**Program Book Interior Advertising $1,500 each**
The Program Book provides attendees a handy reference of all key events and exhibitor information. The Preliminary Program is distributed in advance of the meeting, and the Program Book is distributed to all attendees onsite at registration (approximately 500 medical attendees). Artwork must be received by no later than April 12, and provided in 8.5” x 11” with full crop and bleed. Limited Availability.

**Pre-Meeting or Post-Meeting Eblast $5,000**
Send your message to all the ASSFN Meeting’s medical attendee registrants. Discuss a product or technology you would like to highlight or invite them to your booth or event. Limited to 3 companies for Pre-Meeting & for Post-Meeting
Educational Grant Opportunities

Set your company apart as a leader in education by supporting the ASSFN 2024 Biennial Meeting with one of our five levels of Neurosurgical Education Partner Grants.

**Diamond Exclusive $80,000**
- First - Priority exhibit placement
- Individual *full-page* recognition in meeting program book
- Listing on meeting website
- Individual recognition on meeting signs
- Insert in registration bag
- *Ten meeting badges* for company reps
- *Ten complimentary* admissions for company reps at *Opening Reception*

**Platinum $50,000**
- Premium exhibit placement
- Individual *half-page* recognition in meeting program book
- Listing on meeting website
- Individual recognition on meeting signs
- Insert in registration bag (A4 size)
- *Eight meeting badges* for company reps
- *Eight complimentary* admissions for company reps at *Opening Reception*

**Gold $30,000**
- Listing on meeting website
- Insert in registration bag
- *Six meeting badges* for company reps
- *Six complimentary* admissions for company reps at *Opening Reception*

**Silver $15,000**
- Listing on meeting website
- *Four meeting badges* for company reps
- *Four complimentary* admissions for company reps at *Opening Reception*

**Bronze $5,000**
- Listing on meeting website
- *Two meeting badges* for company reps
- *Two complimentary* admissions for company reps at *Opening Reception*
Rules and Regulations

About the Rules and Regulations
The rules and regulations were created for the best interest of the exhibitors, attendees, and the ASSFN 2024 Biennial Meeting office. It is important that each exhibitor abides by these regulations. Failure to comply with any rule set forth may result in the denial of future participation.

Interpretation of Rules
The following rules and regulations are part of the contract between the exhibitor and the American Society for Stereotactic and Functional Neurosurgery (the Association). The Association shall have full power in the interpretation and enforcement of rules and regulations governing exhibitors. All matters not covered in these rules and regulations shall be referred to the Association for adjudication and the decision of the Association shall be final. These rules and regulations may be amended at any time by the Association and all the amendments so made shall be binding upon the exhibitor equally with these rules and regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments. Notice may be verbal or in writing, before or during the ASSFN 2024 Biennial Meeting, and may be given to any authorized agent or representative of the exhibitor.

Purpose of Exhibit
The purpose of the exhibits, an integral part of the Biennial Meeting educational activity, is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies, and services that are presented for use by stereotactic and functional surgeons. The Association does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the Biennial Meeting. The Association reserves the right to determine the eligibility of all exhibit space applicants.

Product Sales/Solicitation of Orders
The sale of products and services is allowed on the exhibit floor provided such sales are conducted in a professional, business-like manner, in accordance with American Society for Stereotactic and Functional Neurosurgery guidelines, and the exhibitor complies with all state and local tax regulations. No signage or advertising of product pricing will be allowed. The Association reserves the right to restrict sales activities that it deems inappropriate or unprofessional.

Market Research
Market research can only be conducted by firms hired by an ASSFN meeting exhibitor.
With its application for exhibit space, the research company must submit a letter of authorization from its sponsoring company and a list of all premiums proposed for distribution. Market research booths must remain open and staffed throughout the Annual Meeting. All interviews must be conducted within the confines of the booth space—soliciting registrants in the aisles is strictly prohibited. Violations assessed against exhibiting market research companies may also be applied to the sponsoring company.

Exhibitor Application
To be included in the initial assignment of space, potential exhibitors must complete application/contract and return it with full payment on or prior to Friday, February 2, 2024. Applications received without payment will not be processed and no space assigned. If paying by credit card, you may fax or email your application.

Space Assignment
Payment in full ($7,500 per 8’ x 10’ booth) is due by Friday, February 2, 2024. Submission of an application does not guarantee booth assignment. Booths will be allocated on the following basis: 1. Number of booths requested, 2. Date of receipt of application, 3. Space availability, 4. Proximity of competitor companies on the exhibit floor.
Space Relocation
The Association reserves the right to change the exhibit floor plan if conflicts arise regarding space requests or conditions that are beyond the Association’s control. The Association reserves the right to relocate exhibitors demonstrating loud apparatus or conducting odor-producing activities in an area where the noise or aroma will not interfere with other exhibits. The Association reserves the right to determine at what point sound or odor interferes with others and must be discontinued. The Association reserves the right to relocate an exhibitor at any time, (with the understanding that if the exhibitor does not agree with such relocation to the extent that the exhibitor cannot participate in the ASSFN 2024 Biennial Meeting the payment for exhibit space will be fully refunded, proportionate to the exhibitors’ level of participation.)

Booth Space Reductions or Cancellations
Request for booth space reductions and/ or cancellations must be made in writing. Written requests received on or before Friday, February 2, 2024, will receive a full refund of the cost of the space being reduced or cancelled, less a $500 administrative fee. The Association will retain total cost of space being reduced or cancelled after Friday, March 1, 2024. An exhibitor’s cancellation of booth space will result in the release of all assigned hotel guest rooms and Exhibitor badges. No refund will be allowed for exhibit space left unoccupied during the Annual Meeting. Refunds of cancellations or reductions will not be reimbursed until after the ASSFN 2024 Biennial Meeting.

Subletting of Space
The subletting, assignment, or apportionment of the whole or any part of an exhibitor’s space by the exhibitor is prohibited. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor.

Linear Booths
All linear booths will be equipped with an 8’ high back drape, 3’ high side rails, and a 7” x 44” identification sign displaying the exhibitor’s name and booth number. Linear booths must not exceed 8’ in height unless located at the hall perimeter—such booths may be 12’ in height. Any construction that exceeds the 3’ high side rail dividers shall not extend more than half the distance from the back wall of the exhibit, nor will any display be allowed to limit or otherwise interfere with other exhibits.

Booth Construction and Arrangement
All exhibits must be confined to the spatial limits of their respective booth(s) as indicated on the floor plan and all equipment, products, or materials to be shown or demonstrated must be placed within the exhibitor’s contracted exhibit space to ensure attendees viewing the exhibit will stand within said space, not in the aisles. All exposed parts of displays must be finished to present an attractive appearance when viewed from the aisles or from adjoining exhibits. If other exhibitors or the Association object to any exposed portions of a display, the exposed portions will be draped by the Association and billed to the exhibitor. All tables used in an exhibit space must be skirted.

Hanging Signs & Banners
No signs, parts of exhibits or any other exhibit material are to be suspended from or attached to the ceiling or walls of the Exhibit Hall in any manner. All booth identification must be part of the physical structure of the booth itself.

Booth Conduct
The Association reserves the right to approve all exhibits and activities related thereto. The Association may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the character of the American Society for Stereotactic and Functional Neurosurgery or the Biennial Meeting, or if it exceeds the bounds of good taste as interpreted by the Association. An exhibitor of a questionable exhibit or activity relating thereto must submit a description of the exhibit or activity with the exhibit application for approval. An inspection of the Exhibit Hall will be made during installation hours. An effort will be made to advise
Exhibitors of any deviation from exhibit rules at that time.

Exhibitors must make all corrections requested by the Association at their own expense or risk removal from the Exhibit Hall without notice and without obligation on the part of the American Society for Stereotactic and Functional Neurosurgery for any refund whatsoever. The Association reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of the American Society for Stereotactic and Functional Neurosurgery Biennial Meeting. Exhibit personnel may not enter another exhibitor’s booth without obtaining permission. Lingering in the aisles surrounding another exhibitor’s booth for the purpose of obtaining product information or distracting booth personnel is strictly prohibited and may be cause for expulsion. Exhibitors may not sell any food or beverage on the exhibit floor without prior permission from the ASSFN meeting office. Distribution of any literature outside of an exhibitor’s own space is prohibited. No procedures may be performed on any live tissue on the exhibit floor. Exhibitors may not leave their booth unattended for an extended period.

Exhibitors are not permitted to dismantle prior to 2:00 pm on Tuesday, June 4, 2024. Dismantle prior to this time will result in the loss of current year priority points.

Non-Contracted Exhibit Space
Any person, firm, or organization not having contracted with the Association for the occupancy of space in the Exhibit Hall will not be permitted to display or demonstrate any products, processes, services, or solicit orders.

Demonstration and Liability
Exhibitions or demonstrations by the exhibitor must be confined within the bounds of the exhibitor’s assigned exhibit space and should not interfere with aisle space. If the premises of the facility are defaced or destroyed by the exhibitor, its agent, or representatives, the exhibitor will be liable to the facility for such amount as shall be deemed necessary for restoration to the previous condition.

This Agreement is made and to be performed in Nashville, TN, and shall be construed in accordance with Tennessee law, but not against any party by reason of that party having drafted it. No representative of Grand Hyatt Nashville has been or is authorized to make any representation, which varies from the express terms of this contract, though the contract may be supplemented in writing. In any legal action or arbitration or other proceeding brought on account of a breach of any provision of this Agreement or to enforce any provision of this Agreement, the prevailing party shall be awarded its attorney’s fees and other cost incurred in such action or proceeding, in addition to any other relief to which it may be entitled. Any modifications or changes to this Agreement must be made in writing and signed by both parties hereto. Any legal action in connection with this Agreement shall be brought in Nashville, TN.

Fire Regulations
All material used in the exhibit must be flameproof and fire resistant in order to conform to local fire ordinances and in accordance with the regulations established by the hotel.

Restrictions
Booth lighting should be directed to the inner confines of the booth space and should not project onto other exhibits or aisles. Rotating lighting and other specialized lighting effects should be in good taste and not interfere with neighboring exhibitors or otherwise detract from the general atmosphere of the event. Exhibitors who use noisy electrical devices, sound-producing movies, or other devices, which prove objectionable because of noise, odor, or other disagreeable features, must agree to keep the noise and/or odor of such devices at an absolute minimum.

Exhibitors with such equipment must agree to accept space assignments, which will abate reasonable objections to these annoyances. X-ray equipment may be exhibited but not operated. Laser equipment may be operated only if the laser is contained within a safety shield.
Music Licensing
Exhibitors must receive relevant licenses from ASCAP and BMI if they plan to present live or pre-recorded music at any time during the meeting. Exhibitors are responsible for obtaining appropriate licenses for any copyrighted music used in their exhibit.

Smoking
Smoking is prohibited inside the facility.

Food and Beverage
Non-alcoholic beverages and food products are permitted in the Exhibit Hall if ordered through the facility. Food and beverages distributed must not conflict with items served at an Association sponsored event or an event associated with a corporate support opportunity. Information on catering opportunities can be found in the Exhibitor Service Kit.

Photography and Video
Only the official photographer may take photographs in the Exhibit Hall. Details about the official photographer will be included in the Exhibitor Service Kit. Exhibitors may photograph, or have their own booth photographed. Videography is not allowed without the written consent of CNS.

FDA Compliance
All medical devices exhibited must have fulfilled all applicable Federal Drug Administration (FDA) regulations. Products that are not FDA approved for a particular use in humans or which are not commercially available in the United States may be displayed only when accompanied by appropriate signs that indicate the device’s FDA clearance status. The signs must be easily visible and placed near the device itself and on any graphics depicting the device. Unapproved devices with pending premarket approval (PMA) applications or pre-market notifications (510(k)) submissions must display a sign stating “Pending 510(k)/PMA. This device is not cleared by the FDA for sale in the United States.” Unapproved devices without a pending 510(k) or PMA must display a sign stating, “This device is not cleared by the FDA for sale in the United States.” Products in the development stage must bear a sign stating “Caution: investigational device. Limited to investigational use.”

Children
Children under 18 years of age will NOT be permitted to enter the Exhibit Hall at any time during the meeting, including the installation and dismantling of exhibits.

Handouts and Giveaways
Distribution of samples of products and souvenirs is permitted. Approval of samples and souvenirs must be obtained by the ASSFN Meeting office prior to the meeting. Distribution of such products or souvenirs will be allowed, provided it is done in a dignified manner, does not create a nuisance, and causes no interference with adjoining exhibits. Unapproved items will be removed from the exhibit floor. For approval, send a sample of all giveaways and handouts to: Congress of Neurological Surgeons Attn: Sydney Manola 10 N. Martingale Road, Suite 190 Schaumburg, IL 60173-2294 by Friday, May 3, 2024. (Samples will not be returned).

Contests, Raffles, and Drawings
Approved contests, drawings, or raffles must comply with all local, state, and federal laws governing such contests, raffles, or drawings, and have prior approval of the exhibits department. The rules must be posted at the booth and include eligibility, date, and time of the drawing, the words “No purchase necessary to enter,” odds of winning, how winners are notified, how participants can find out who won, etc. The exhibitor must agree to indemnify the Association, its Board of Directors, employees, and vendors in the event of any claims arising from the operation of the event. The Association must be notified of the winners and when the prize is awarded. The Association reserves the right to restrict contests, drawings, or raffles that it deems inappropriate or unprofessional. Requests for contests, raffles, and drawings must be submitted to the Exhibits Department for approval by Friday, May 3, 2024.

Promotional Materials/Use of Logo
Any promotional materials advertising your participation in the ASSFN Biennial Meeting or directing attendees to your booth or industry-supported events must be submitted to the Association for approval prior to distribution. The use of the name, insignia or logo, or other identifying marks of the American Society for Stereotactic and
Functional Neurosurgery may not be used in signs, advertising, or promotions in any media or on descriptive product literature without express written permission. The only exception is that exhibitors may reference the American Society for Stereotactic and Functional Neurosurgery (with overall dates and location) on their materials associated with the 2024 Biennial Meeting. To prevent any misunderstanding, promotional copy for exhibitor meetings or functions may not be phrased “In conjunction with the American Society for Stereotactic and Functional Neurosurgery” or use similar language. By allowing the exhibitor to participate in the Biennial Meeting, the Association does not endorse, either expressly or by implication, the exhibitor or its goods or services.

Awarding of CME
The Congress of Neurological Surgeons, as CME provider for the ASSFN 2024 Biennial Meeting, is the only organization authorized to grant CME credit for educational activities conducted during the Biennial Meeting if delivered by an ACCME accredited organization. Companies wishing to provide CME for Satellite Symposia must notify the Association of this intent. No CME credit may be given from any source for activities on the exhibit floor.

Security
The Association will provide uniformed security guard service in the Exhibit Hall beginning with the delivery of exhibits to the hall through 4:00 pm, Tuesday, June 4, 2024. Neither the Association nor Grand Hyatt Nashville will be held responsible for any loss or damage to the exhibitor’s property. Exhibitors must take precautions to protect their property against pilferage.

Insurance
Exhibitors shall be fully responsible for any claims, liabilities, losses, damages, or expenses of whatever kind and nature relating to or arising from an injury to any person, or loss of or damage to property where such injury, loss, or damage is incident to, arises out of, or is in any way connected with the exhibitor’s participation in the exhibition. Exhibitors shall protect, indemnify, hold harmless, and defend the American Society for Stereotactic and Functional Neurosurgery, its officers, directors, agents, members, and employees against all such claims, liabilities, losses, damages, and expenses including reasonable attorney’s fees and cost of litigation, provided that the foregoing shall not apply to injury, loss, or damage caused by, or resulting from, the negligence of the American Society for Stereotactic and Functional Neurosurgery, its officers, directors, agents, or employees.

Exhibitors should maintain general public liability insurance against claims of personal injury, death, or property damage incident to, arising out of, or in any way connected with their participation in the Biennial Meeting, in the amount of not less than one million dollars ($1,000,000) for personal injury, death, or property damage in any one occurrence. Such insurance should include coverage of the indemnification obligations of exhibitors under the policy and procedures and should cover the American Society for Stereotactic and Functional Neurosurgery as an additionally named insured. Each exhibit company is responsible for obtaining, for its protection and at its expense, such property insurance for its exhibit and display materials as the exhibitor deems appropriate. Any policy providing such property insurance must contain an express waiver by the exhibitor’s insurance company of any right of subrogation as to any claims against the American Society for Stereotactic and Functional Neurosurgery, its officers, directors, agents, members, or employees. The exhibitor further waives any claim against the American Society for Stereotactic and Functional Neurosurgery and its agents, employees, representatives, successors, and assigns, arising out of the oral or written publication of any statement made in connection with the Biennial Meeting by anyone not an employee of the American Society for Stereotactic and Functional Neurosurgery concerning the exhibitor or their exhibit.

If any part of the Exhibit Hall is destroyed or damaged, preventing the American Society for
Stereotactic and Functional Neurosurgery from permitting an exhibitor to occupy assigned space during part or all the Biennial Meeting, or in the event occupation Biennial Meeting is prevented by strikes, Acts of God, national emergency, or other causes beyond the control of the American Society for Stereotactic and Functional Neurosurgery, exhibitors will be charged for space during the period it was or could have been occupied; and exhibitors hereby waive any claims against the American Society for Stereotactic and Functional Neurosurgery, its directors, officers, agents, members, or employees for losses or damages that may arise in consequence of such inability to occupy assigned space, its sole claim against the American Society for Stereotactic and Functional Neurosurgery being a refund of exhibit fees for the period it was prevented from using the space.

**Industry Corporate Support Events**
Except to hold satellite symposia or social functions, exhibitors must confine their activities with medical attendees to their allotted exhibit space. No entertainment functions, meetings, courses, or social functions may be scheduled to conflict with American Society for Stereotactic and Functional Neurosurgery Biennial Meeting program hours, activity hours or exhibit hours. Entertainment and social functions must be in good taste and conform to the purpose of the meeting. The Association should be notified in writing of any special activities (whether entertainment, educational or promotional in nature) planned by an exhibiting company for the period beginning Saturday, June 1, 2024, through Tuesday, June 4, 2024. Announcements and invitations addressed to members of the medical profession concerning such corporate supported events should clearly indicate the name(s) of the corporate support and must in no manner imply directly or indirectly that the event is a part of, or an official activity of, the Association.

Function space held by the Association will be released only to companies exhibiting at the American Society for Stereotactic and Functional Neurosurgery Biennial Meeting.

**Satellite Symposia**
Any educational activity designed by or on behalf of industry for attendance by ASSFN meeting attendees is considered a Satellite Symposium, whether or not CME credit is offered. All such activities are bound by the American Society for Stereotactic and Functional Neurosurgery Guidelines for Satellite Symposia (available online) and subject to Satellite Symposia fees.

**Americans with Disabilities Act**
Exhibitors are responsible for compliance with the Americans with Disabilities Act for their booth space.

**Violations**
Any violation of the Rules and Regulations shall subject the exhibiting company to the following penalties:

- First Violation: Loss of current year priority points
- Second Violation: Loss of one-half accrued points
- Third Violation: Loss of remainder of points
- Fourth Violation: One-year suspension of exhibit privileges

Disciplinary action will be progressive according to the above sequence. However, a more severe penalty may be levied at the discretion of the Association, without following the above sequence. The Association reserves the right to restrict and/or dismiss at any time any exhibit that it deems undesirable. In the event of eviction, the Association will not be liable for any refunds on rental or other exhibit expenses.
Industry Support Application

Companies supporting or co-supporting an event must comply with all applicable rules and regulations set by the American Society for Stereotactic and Functional Neurosurgery (ASSFN). This agreement, signed by a duly authorized representative of the company and becomes effective upon acceptance by the American Society for Stereotactic and Functional Neurosurgery. An invoice for all opportunities will be sent to company contact upon acceptance of opportunities by the American Society for Stereotactic and Functional Neurosurgery. Email this completed application to: corporatedevelopment@cns.org.

Due date: Friday, February 23

Industry support agreements received after this date may not be acknowledged in all marketing vehicles. Advertising opportunities are not part of the corporate support program and only contribute to corporate supporter level or benefits when combined with sponsorship/educational grants. All payments must be received no later than 30 days prior to the start of the meeting (May 1, 2024)

Maximize Your Company’s Visibility at the 2024 ASSFN Biennial Meeting By becoming An Industry Supporter today.

Terms of Participation
All provisions of the Rules and Regulations and general information, as hereby published, shall be a part of this contract. The application deadline is Friday, February 2nd. We hereby apply, subject to the terms of the ASSFN printed Rules and Regulations, for exhibit space.

The purpose of the exhibits is to complement the professional meetings and clinical sessions by enabling registrants to evaluate the latest developments in equipment, supplies, and services that are presented for use by stereotactic & functional surgeons. Monies provided for Exhibit Hall booth purchases are not considered commercial support, nor shall support of this year’s exhibit program be inferred as a commitment for any future programs. All exhibit fees will be used solely for expenses directly related to the ASSFN (Association) 2024 Biennial Meeting. The Association and the exhibitor acknowledge and agree that the funding shall not obligate the Association nor its affiliates to purchase, use, recommend, or arrange for the use of any products of the exhibitor or its affiliates. The Association does not in any manner endorse any of the products or services related to the exhibits that have been accepted for display and sale during the Annual Meeting. Exhibitors may not advertise or display goods in their exhibit other than those manufactured or sold by them in the regular course of their business. Exhibitors may not permit any other party to exhibit in their space any goods other than those manufactured or distributed by the contracting exhibitor. The Association acknowledges that some drugs or medical devices demonstrated at the Annual Meeting have not been cleared by the FDA or have been cleared by the FDA for specific purposes only. The FDA has stated it is the responsibility of the physician to determine the FDA clearance status of each drug or medical devices he or she wishes to use in clinical practice.

Reductions & Cancellations
All booth reductions and cancellations must be made in writing. Requests received in writing by Friday, February 2 will receive a full refund, less $500 administrative fee. The Association will retain total cost of space being reduced or cancelled after Friday, February 2. Refunds of cancellations or reductions will not be reimbursed until after the meeting date.
