

# 2023 Essentials for a Rewarding Neurosurgical Career

February 25-26, 2023 · Dallas, TX

## Course Description

This 2 day course is intended for the chief resident, post-graduate fellow or recent residency graduate embarking on their neurosurgical career. The course will address business, organization and navigation strategies for early and enduring individual success. The format promotes interaction with faculty and peers through focused lectures, question and answer sessions, small group discussions, and a networking cocktail hour and dinner. The concepts and strategies that are provided will be applicable to those starting in community practice, academic practice, military practice and those in other government neurosurgical positions.

## Learning Objectives

Upon completion of this course, participants will be able to:

- Implement systematic processes to establish effective physician-patient relationships that translate to an improvement in patient outcomes, patient safety, and patient satisfaction while reducing medical errors and their legal implications
- Describe indications (and the lack thereof) for surgery for various neurosurgical disorders commonly encountered in clinical practice.
- Identify techniques and methods to become more productive, an effective contributor in your new work environment/partnership/practice.
- Identify strategies to help establish a career focus in conjunction with your clinical work while maintaining balance with your health (mental and physical), other important responsibilities and passions

## Accreditation Statement

The Congress of Neurological Surgeons is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## Credit Designation Statement

The CNS designates this live activity for a maximum of **13.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Reviewers:

Tiffany Hodges, MD

Mark N. Hadley, MD, University of Alabama at Birmingham

Ashok R. Asthagiri, MD, University of Virginia

## RELEVANT CONFLICT OF INTEREST DISCLOSURES

### CNS Disclosure Policy

The Congress of Neurological Surgeons controls the content and production of this CME activity and attempts to assure the presentation of balanced, objective information. In accordance with the Standards for Integrity and Independence in Accredited Continuing Education established by the Accreditation Council for Continuing Medical Education (ACCME), speakers are asked to disclose all relationships they have with ineligible companies\* over the previous 24 months which may be related to the content of their lecture. Speakers who have disclosed a relationship with an ineligible company whose products may have a relevance to their presentation are listed below.

**Any planner, reviewer, or faculty member not on the disclosure list has reported they have nothing to disclose.**

**All relevant financial relationships listed for these individuals have been mitigated.**

*\*Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. An ineligible company is not eligible for ACCME accreditation or participation in Joint Providership.*

*Agenda and faculty subject to change*
