by

Survey Committee,
CONGRESS OF NEUROLOGICAL SURGEONS

Eighty-eight percent of the addresses in this directory have been verified by the individuals listed. The remainder have been gathered from many reliable sources. The heads of the residency training programs in the United States have been most helpful in supplying the names and addresses of their graduates. No implication is intended as to the professional qualifications of the individuals listed herein. Additions and corrections to this directory will be gratefully received by the Survey Committee's Chairman, Dr. John R. Russell, 1100 W. Michigan Street, Indianapolis 7, Indiana.
